JUSTIFICATION OF AWARD

1. **Prime Contract No:** EP-S2-14-01
2. **Purchase Order No.:** TBD
3. **Subcontractor Name:** Environmental Field Services, Inc.
4. **Debarred List Checked:** Environmental Field Services, Inc. is not listed in "List of Parties", dated: 7/30/2015.
5. **Business Size:** Small Business
6. **Description of Supplies or Services:** Utility mark out and Geoprobe Services
7. **Background:** TDD #T0-0006-0053 was issued to Weston Solutions, Inc. on July 9, 2015 to provide Removal Assessment support for the ongoing investigation of the Site.
8. **Type of Subcontract:** Firm Fixed-Price
9. **Basis for Subcontract Selection and Extent of Competition:** The RFP was submitted to five Geoprobe firms. Four bids were received. One firm verbally communicated that they could not meet the response deadline. The lowest bidder of the four firms was chosen.
10. **Period of Performance:** August 2015 (per the EPA-developed schedule)
11. **Subcontract Amount:** Not to Exceed \$3,185.00
12. **Cost or Price Analysis:** Competitively bid.
13. **Cost and Pricing Date Requirement:** July 29, 2015
14. **CAS Certification:**

_____Applicable and in file
_____X Not Applicable, Procurement under \$500K
_____ Not applicable, competitive Award (per 48 CFR 9903.201(15))
15. **ACO Notification and Consent:**

_____ Consent and/or Advance obtain and in file

X Consent and/or Notification not required

 X 52.244-1, Firm Fixed Price contract, Weston has an approved purchasing system.

 X 52.244-2 Subcontract is fixed price under 25K.

 52-244-3 N/A

 52.344-4 N/A

16. Competitive savings:

Subcontracting services are being requested due to internal Weston resources not having the appropriate certifications necessary to complete the project scope established by the OSC under TDD No. 0006-0053. Weston would have to obtain the necessary certifications required to complete the scope of work as outlined by the OSC. This would be more expensive then obtaining the services of a local subcontractor already equipped with certified personnel and equipment.
